9. (Unclassified - SF) LIAISON Received a call from Jim Cunningham, in the office of Representative Ray Thornton (D., Ark.), requesting some general information on the Federal Broadcast Information Service. Mr. Cunningham was forwarded sample copies of all eight volumes of the DAILY REPORT and a list of the Joint Publications Research Service publications.

10. (Confidential - MMP) LIAISON Called Dick Giza, House Permanent Select Committee on Intelligence staff, to ask whether the Subcommittee on Evaluation was still intending to hold hearings on 20 and 21 September on the subject of intelligence warning. Mr. Giza confirmed this.

He asked whether I had been able to arrange a session for him with analysts (particularly [] NIO) to discuss the new assessments on North Korean troop strength. I told him that I had not been able to do it because we (the Agency analysts) are in the process of fully evaluating a Department of Defense product but have not yet completed the process.
